TEIFI VALLEY TRAIL

The Teifi Valley Trail (TVT) is an exciting new 75 mile long-distance footpath following the Teifi River from source to sea.

The TVT connects abbey to abbey (Strata Florida to St Dogmaels) but also villages, mill and market towns along the length of the Teifi Valley.

WORKING IN PARTNERSHIP

The Teifi Valley Trail is being created by the Walkers are Welcome accredited communities of Tregaron, Lampeter, Llandysul & Pont-Tyweli, Cilgerran, St Dogmaels with Cardigan and Lampeter & Teifi Valley Rambler groups.

Carmarthenshire, Ceredigion and Pembrokeshire County Councils are very supportive of the TVT project, which almost exclusively uses existing public rights of way.

We have much evidence already in Wales showing how walkers boost local economies with minimal negative social and environmental impact.

THE FUTURE IS CIRCULAR

The Celtic Circle will join together the Teifi Valley Trail, the Wales Coast Path and other established footpaths to complete a much anticipated circular route of 170 miles of excellent walking.
